

Wacana Ilmu UNIMAS: International Conference Funding

Wacana Ilmu UNIMAS provides funding for young academics to attend international conferences, enhancing global visibility and research networking.

Objectives

- Support researchers in increasing international visibility and networking.
- Provide opportunities for researchers without grant funding to attend international conferences.
- Offer global academic communication experience to staff without overseas study experience.
- Encourage publication in indexed and high-impact journals post-conference.

Criteria

- DS52 staff and below, without international conference grant funding.
- Must have at least one indexed journal article published in the current year.
- Funding is for oral presentation of full papers at overseas conferences only.
- Maximum budget of RM10,000 per application, for one trip only.
- Potential for international grants/collaborations and publishing with renowned international publishers.

Mechanism

Applications are open to all eligible UNIMAS lecturers and researchers. Submit applications via the Faculty/Institute Dean to the Director, RDICE. Each application must include an invitation letter as an oral presenter, proof of publication competency in WoS/SCOPUS indexed journals, and a detailed estimate of the cheapest conference fees, flight tickets, and accommodation.
