

## E-Invoicing

Dear Sir/Madam,

Greetings from UNIMAS Holdings Sdn Bhd ("UHSB).

As announce by the Inland Revenue Board Malaysia (IRBM) on the implementation of e-Invoice initiative in stages, please be informed that UHSB will embark on e-Invoicing System with an effective date starting on 1st July 2025.

To fulfil the requirement from the IRBM for e-Invoice implementation, we require information from our valued business partners and customers. Therefore, we seek your kind cooperation, to provide information through this Google Form Channel. Your prompt action is crucial to ensure the success of this e-Invoice implementation.

Should you have further clarification with regards to e-Invoice initiative by IRBM, please contact us at **082-222 000** or email us at **[einvoice@uhsb.unimas.my](mailto:einvoice@uhsb.unimas.my)**.

Thank you.

| Part A: Company Information                                          |  |
|----------------------------------------------------------------------|--|
| Registered Company Name                                              |  |
| Company Registration No. (Old/New)                                   |  |
| Tax Identification Number (TIN)                                      |  |
| SST Registration No.<br>(Applicable for SST registered company)      |  |
| Company Business Address                                             |  |
| Company Activity                                                     |  |
| Company's Malaysia Standard<br>Industrial Classification (MSIC) Code |  |
| Company Email Address<br>(For e-invoice purpose)                     |  |
| Name of Contact Person                                               |  |
| Company Contact Number                                               |  |

| Part B: Respondent Details |  |
|----------------------------|--|
| Name                       |  |
| Designation                |  |
| Department                 |  |
| Contact No.                |  |
| Email Address              |  |

| Part C: Declaration                                                                                                                                |                      |
